Property Description

This is a single room in a 4 bedroom HMO in Worsop, Mansfield The landlords are experienced and the property is well managed. They require someone that will pitch in with their share of the cleaning and are hoping to find someone that would like to make this a home.

Main Particulars

Room 4 is the largest room in the house and was formally the lounge so benefits from its own front door. The room is very spacious. We accept housing benefit and universal credit and work with local councils. If you are experiencing homelessness and need some help please get in touch.
